We are very pleased to welcome new and returning students to Krambach Public School for 2016! Hopefully everyone is relaxed, rested and excited to get stuck into a year of learning and fun 😊

Attached is our new School Welcome Brochure. It contains useful information about how the school operates, including our new class and assembly times. It also outlines what is expected of students, staff and families in order to ensure that all students can make the most out of their time at Krambach Public School.

School Fees are now payable. Fees are $25 per student and cover workbooks and resources throughout the year.

Each week we send out this flyer outlining the events of the upcoming week. Pop it on your fridge or noticeboard and encourage students to keep up to date with each day’s happenings.

We encourage all families to download our Skoolbag app. Our school newsletters and weekly planners are all available and important reminders are sent to parents when required. Instructions are attached to the School Welcome Brochure.
